

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE APPLICATION FOR A LICENSE OF

KEVIN A. WEIDMAN, M.D.,

Applicant

ORDER TERMINATING LIMITATIONS

On January 8, 1993, Dr. Kevin A. Weidman filed his application for a license to practice medicine and surgery in the State of Wisconsin. Dr. Weidman indicated on his application that disciplinary action had been taken against his license in the States of Minnesota and North Dakota, and information provided established that his licenses in both those states were suspended. The board considered the application at its meeting of April 28, 1993, and denied the application by its order dated May 7, 1994. In denying the application, the board commented in its Order as follows:

At such time that North Dakota, which is apparently Dr. Weidman's state of original licensure, and Minnesota determine that it is safe to reinstate Dr. Weidman licenses in those states, the board will be happy to further consider his application in this state. Until Dr. Weidman is able to establish his satisfactory rehabilitative status to the boards in the states where he is currently licensed, however, it would be inappropriate for this board to grant a new license in Wisconsin.

Having submitted evidence satisfying the conditions set forth in the board's previous Order, Dr. Weidman petitioned the board to reconsider his application. The board considered the petition at its meeting of September 22, 1994. The board and Dr. Weidman thereafter entered into a Stipulation by which the board agreed to grant, and Dr. Weidman agreed to accept, a limited license to practice medicine and surgery in the State of Wisconsin. The board thereafter filed its order granting the limited license.

Pursuant to the board's order, Dr. Weidman appeared before the board at its meeting of March 23, 1995. At that time, Dr. Weidman petitioned for a reduction in the number of required urine screens from weekly to twice-monthly and to permit him to apply for and hold a DEA registration number. The board considered the matter on that date, and denied the petition by its order dated March 29, 1995.

By letter dated May 5, 1995, Dr. Weidman again petitioned for the board to permit him to apply and hold a DEA registration. He appeared before the board on May 25, 1995, in support of his

petition. The board considered the matter on that date, and granted the petition by its order dated June 5, 1995.

Dr. Weidman appeared for his next scheduled meetings with the board on August 23, 1995, and January 26, 1996. At the time of the latter appearance Dr. Weidman requested that the limitations on his license be dropped and that the matter be transferred to the department's Impaired Professional Procedure. The board considered the request on that date, and denied the request by its order dated January 30, 1996.

The next scheduled appearance by Dr. Weidman was April 25, 1996, at which time he appeared and requested that the frequency of his appearances before the board be reduced. The board considered the request on that date and ordered that he reappear at the October, 1996, meeting.

On October 24, 1996, Dr. Weidman appeared and requested that the number of required urine screens be reduced from weekly to two per month. The board considered the request on that date, and granted the request by its Order dated November 5, 1996.

On October 22, 1997, the board considered the recommendation of David G. Benzer, D.O., as set forth in his letter dated September 15, 1997, that Dr. Weidman be returned to full licensure. Based upon that recommendation, and all other information of record herein, the board orders as follows:

Based upon Dr. Weidman's request, and upon all other evidence of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that all limitations on the licensed of Kevin A. Weidman, M.D. to practice medicine and surgery in Wisconsin are terminated, and Dr. Weidman is hereby returned to full licensure.
